**Parking & School Entrances** After 2:30pm Minuteman is open to the community for educational and recreational programming. Community Education students as well as facilities rental participants should park in the student/west parking lot. Students should enter through the northwest/cafeteria entrance. There is a path from student parking to the west entrance door (door #9).

**Handicapped Parking & Elevator Access** There are handicapped parking spaces in both the front and west parking lots. Those needing elevator services should park at the front of the for ease of access to the elevator. The elevator requires a key, so the front security guard can be of assistance.

**Community Education New Classes** All students should meet in the cafeteria on the first night of a class so that students can be directed to a classroom location. To get to the cafeteria, enter through the west entrance (door #9). Upon entering the building, take a right, and at the end of the hall, take a left into the cafeteria.
